New Roller Tractor to Be Bought—Tax Rate Is to Be \$1.88.

AYOR KELLY'S annual budget was approved by the city council Thursday, It recommends sums totaling \$676,800 for the city's expenses for the ensuing year, including interest on bonds, and recommends a tax rate of \$1.88, upon an assessed valuation of

\$36,900,000.

The mayor, among other things, recommends the purchase of a motor patrol wagon, at a cost of \$2000, fire hose and miscellaneous equipment to the value of \$5000, street signs at a cost of \$5000, sanitary drinking fountains at a cost of \$1000, street sweepers at a cost The budget, as usual, submits the es-

The total for the general government of the city-mayor and council, city clerk's office, election expenses, city attorney's office, litigation, auditor, assessor, collector, corporation court and city hall expenses is piaced at \$46,866.

Police and Fire Departments. Police and Fire Departments.
For the police department the mayor recommends \$51,500, of which amount he thinks fines will total \$18,000. The police force is to consist of a chief, at \$2100; two captains, at \$1500 each; two serments, at \$1200 apiecs; 10 mounted men, at \$1200 each; 26 pairolemen, at a total cost of \$26,520; two motorcycle men, two drivers and seven detectives.

motorcycle men, two drivers and seven detectives.

For salaries in the fire department, the mayor recommends a total of \$46,440. Additional expenses of this department—fire bydrants, alarm system, forage, equipment, supplies, etc.—bring the total up to \$70,590 for the fire department. The chief is to draw \$2100, the assistant \$1500, the fire marshal \$1500. The department is to have a total of five captains and 33 other regular men, besides the chief, assistant and fire marshal, giving the city an available fire fighting force of 41 men.

For the weights and measures department, the mayor recommends \$1160, for the building inspector's department, \$4000, but he estimates that the latter department will bring in \$2500 in fees.

GEORGE'S MORA

Probes Charges of Loose Living; Recommends His Removal From "Republic."

New York, Dec. 18.—Removal of Wm. R. George from active participation in the affairs of the George Junior republic, at Freeville, N. Y., founded by hlm more than 10 years ago, is recommended by the state board of charities in a report adopted by the board yes-terday afternoon, and made public to-day. George's moral conduct is severely condemned.

condemmed.

Charge Loose Living.

More than 50 witnesses in six states were examined with regard to charges of loose living made against George by three young women, former members of the republic. The oldest of these charges dated back to 1904, the most recent was several years old. The testimony was unprintable and no verdict as to whether the charges were proved was rendered by the committee under whose direction the investigation was made.

Notwithstanding, the board strongly condemned the conduct of George in

condemned the conduct of George in dealing with members of the republic and adopted resolutions recommending that no more girls be received at the republic and that those now there be speedily removed to other institutions.

The George Junior republic was founded by William R. George as a harbor of refuge for bad boys. He was called "daddy" George by his proteges and his chief aim, he has often said, was to bring back to an atmospherical was to bring back to an atmosphere of home life the wayward boys and girls, afterwards admitted—who had strayed.

His grandfather, Gen. James W. Magoffin, was the first consul appointed to the state of Chihuahua, after the state was formed in the arly 30s. There he married Miss Gertrude Valdez. He left Mexico in 1844, but returned during the Mexican war and was made a colonel in recognition of his services during the war with Mexico. After returning to El Paso in 1848 Gen. Masoffin located Fort Bliss at a point east of the present central part of El Paso. He was a noted figure in the life and development of the little town that sprang up and which was then called Franklin. He remained here until 1862. Under governor Sam Houston, he was appointed brigadier general of the state troops. He was appointed by governor Hamilton, chief executive of Texas, to conduct the reconstruction work in El Paso in 1867, which task he successfully accomplished.

BE CURED

Great Chronic Disease Specialist.

Below will be found a letter from Philip J. Ritter, who had been a sufferer from Epilepsy for years, Mr. Ritter, like many others, had tried several doctors, but got no relief. Many times he had heard of the cures Dr. G. A. Hinton, the chronic disease specialist, had made, and especially the cure of a prominent stockman who lived in Nehraska, and had been afflicted in about the same way as he was. He decided to at least take advantage of the liberal offer that Dr. Hinton made of a free examination, after which he placed his case in the doctor's hamis for treatment. The results of the treatment are shown in Mr. Ritter's let-

ter, written years later. Feb. 27-1913. Dear Doctor:-I am writing to let you know that I have been cured of Epilepsy (Falling Sickness) by medicine furnished by Dr. G. A. Hinton. My business relations with Dr. Hinton have been of the most pleasant nature, and I consider him perfectly honorable in all his business as

well as professional relations. I can cheerfully recommend Dr. Hinton's treatment in that terrible disease, Epilepsy.—Philip J. Ritter.

Mr. Ritter is one of the most grateful people living today. He had been for a number of years a sufferer from that awful trouble, Epilepsy, falling unconthe Vulcan mine where an explosion killed 37 men. It is believed the bodies of Roy McLain and Norman Murphy are still buried under debris. No art to lose his mind, these terrible spells coming on every few days, he could not attend to his business and had to be-

come dependent upon his family. Mr. Ritter took this treatment fifteen years ago and up to the present time has never had an attack of his old trouble and never will. Dr. Hinton has successfully treated hundreds of cases of Epilepsy and can give positive assurance that they never will have another attack of this terrible disease after taking a full course of his remedy. It would take
